Walking

From Liverpool Street Station take the Bishopsgate exit.

Cross over Bishopsgate + turn left. You will pass a pub called Dirty Dicks on your right, keep walking + Artillery Lane is just past the Natwest Bank.

(The 'Artillery Lane' road sign is on the Natwest side of the road, so it's not immediately obvious).

Walk about 100 metres up Artillery Lane + you will pass Canto Corvino Restaurant on your left. Wallacespace is just past Canto Corvino + our entrance is just around the corner on Fort Street.
