

## Access at wallacespace Covent Garden

**Wallacespace Covent Garden** is actually two buildings at **53 and 60 Parker Street**, side by side, just off Kingsway and a stone's throw from Covent Garden and Holborn tubes.

We aim to make a visit to wallacespace a pleasant and stress-free experience for everyone. There will always be things we can't change about the structure of our buildings but we are a helpful bunch, so if you have any questions at all about accessibility please give us a call and we will do our very best to help. Please let us know in advance if you need a hearing loop and we can arrange this for you.

### 53 Parker Street

There's a small ramp leading to the entrance of 53 Parker Street. We're on the 1st and 2nd floors, accessible by stairs and a lift. The lift is at the far end of the lobby and measures 95 x 90, with an 80cm wide door. The maximum weight capacity is 300kg, the lift has 1 x handle. The buttons light up and there is audio to let you know which floor you are on.

There are breakout spaces on both floors with a variety of teas, coffee and plenty of snacks. The café for breakfast and lunch is on the 1st floor and there are 4 meeting rooms on this floor if you need to be close to the café. We have gender neutral loos on each floor. Our loos at 53 Parker Street aren't currently wheelchair accessible. We do have other buildings with wheelchair accessible loos so please do speak to one of our team on **020 7395 1265** for advice as to which of our spaces will work for you.

The doors to our meeting rooms are 78cm wide. Our loo doors are 75cm wide.

### 60 Parker Street

There are no steps at the building entrance but the pavement curb outside on Parker Street is 20cm high. There is no lift, but we do have an accessible loo on the ground floor which has two meeting rooms (door width 90cm) and access to teas, coffee and lots of snacks. The ground floor loo door width is 85cm

The café is downstairs on the lower ground floor, down a set of stairs. If you're unable to visit the café we can serve breakfast and lunch in your room, so do let us know if that would be helpful.
