## The Rooftop wallacespace spitalfields

Johnny Roxbrough famously said that three things make a great party: good people, good food and good wine.

At wallacespace we focus on just that.  
No tricks. No shortcuts.

Our staff are attentive but never intrusive. Our stylish rooftop space looks extra special lit with twinkling lights in the evening, with views over our ever-commanding London skyline.

Our executive chef, Philip Owens, previously chef-patron of London's The Arts Theatre Café, L'Arte and Philip Owens at the ICA has decades of experience in creating exceptional food for occasions such as Elton John's White Tie and Tiara Balls, Royal weddings and film premieres and we are delighted that he has been working with us at wallacespace since our very beginning.
