TONNATO DRESSING

This creamy mayonnaise with tuna + anchovy hails from Northern Italy. It is often served with cold sliced veal as part of the classic dish vitello tonnato, but also goes well with other meats, especially cold roast pork, chicken, soft-boiled eggs and veg such as green beans, little gem lettuce + tomatoes.

Ingredients

250g tinned tuna
4 x tinned anchovy fillets
Juice of a lemon
150m mayonnaise
freshly ground black pepper + sea salt to taste

Method

Drain tuna + blitz with the anchovy + lemon juice.
Hand mix with mayonnaise until you have a smooth sauce. Season to taste.

Pimp your Tonnato

Go old school + serve with a baked potato + tinned sweetcorn!
