

WallaceSpace World Cup Christmas party planner

Don't miss out, book your Christmas party today

Planning a Christmas party is hard at the best of times. Picking the perfect venue, finding a date that most people can make, deciding on food, entertainment... argh!

This year, it's further complicated by COVID-related demand meaning venues are getting booked up earlier in the year... and there's only a blimmin' World Cup to contend with too.

Whether you love football or prefer to avoid it, you can't ignore it in your party planning. Don't worry, we've got you, we've plotted out the key games in a handy calendar, and added in the dates that are looking busiest for us right for now.

We'll keep you updated on that score, even if you're ignoring the footie results.
